The westerlands is known for its rugged hills, rolling plains, rocky cliffs, and brackish forests. This land contains innumerable savannas and vast forests. The region has long been one of the most fertile in all of Westeros. The Lannisters have controlled the region since ancient times, and the region is known for its abundance of gold and silver. During the Age of Heroes, the Royal Druids from the Kingdom of the Rock came to the westerlands to spread their beliefs. They taught the people of the westerlands how to farm and how to hunt, and they also taught them how to build cities and castles. The Lannisters have been the ruling family of the westerlands for centuries, and they have built many of the great castles and cities in the region. The westerlands is home to some of the most powerful and wealthy families in Westeros, including the Lannisters, the Tyrells, the Baratheons, and the Starks. The region is also home to many other powerful families, including the Arbori, the Martells, the Greyjoys, and the Targaryens. The westerlands is divided into several fiefdoms, and each fiefdom is ruled by a powerful lord or lady. The westerlands is a land of great beauty and riches, and it is a land of great danger and treachery.
